

Juan Ignacio Cuevas

Tandil, Buenos Aires | [linkedin.com/in/juan-ignacio-cuevas](https://www.linkedin.com/in/juan-ignacio-cuevas) | +54 9 2281 416325

Full Stack Developer with hands-on experience building internal tools with React, Supabase, SQL, and RPCs. I combine development with process analysis to understand real operational needs, automate repetitive work, and deliver clear, reliable solutions. I am committed, collaborative, and driven by continuous learning.
